*& a visit to your home
if it helps*

PROFESSIONAL LEGAL ADVICE

*& an individual understanding
of your needs*

Although it comes to us all, we understand that making arrangements for your death isn't a subject you'll want to dwell on, but drafting your will is one of the most important financial decisions you'll ever make. All members of the Russell & Russell team are qualified solicitors and paralegals, so you can be sure of the quality of our work. We specialise in:

LASTING POWER
OF ATTORNEY

ASSET
PROTECTION

INHERITANCE
TAX PLANNING

ESTATE
ADMINISTRATION

Without a will, it's the government which decides who inherits your estate and this could mean that when you die, your money and possessions don't go to the people you want to have them. Having a will prevents this because it makes your final wishes clear and legally binding. So, if you're thinking about planning your future, talk to us today.
