PROFESSIONAL LEGAL ADVICE

£ someone who'll take the time to understand

There are people in our communities who, due to age, mental incapacity, ill health, learning difficulties or as a result of an accident, are unable to administer their finances on their own. Working in partnership with social services, community carers and families, we provide financial management support to help take the stress out of dealing with budgets for rent or care fees, utility bills and other expenses. Other areas we can advise on are:

LASTING POWER OF ATTORNEY

COURT OF PROTECTION

RESIDENTIAL & NURSING HOME FUNDING

APPOINTEESHIPS

We have a team of experts who are experienced in safeguarding the financial affairs of those in need of support. We can act as corporate appointees, looking after day to day living expenses, so they don't have to worry about keeping up with the bills.
